## 2007-2008 Volunteer Interest Form

---

Listed below are events and activities planned for the school year. Please indicate which one(s) you would be interested in helping with, and we will call or email you with more information as the event nears. This is just an interest form and you are not making a firm commitment at this time. We realize you may have a limited amount of time available to volunteer. We would like to offer you the opportunity to volunteer for the activities that are of the most interest to you, without feeling pressured to do more.

Thank you for looking this form over and getting it back to us (just send it back to school with your child). If you have more than one child, you only need to fill out one form.
