Confidential Scholarships: All scholarship requests are confidential.

Partial and Full Scholarships are available to families and students based on need. Scholarships are provided through the PTA budget as long as funds are available. Scholarship requests **MUST** be directed to Kristina Weidert, the Parkwood Family Advocate, at (206) 393-1450 or kristina.weidert@shorelineschools.org.

Parent Volunteers: Parent volunteers are needed - one for every 20 students. In most cases, if you are chosen as the parent volunteer, one of your children's tuition for the class can be waived. Not all applicants will be accepted as a parent volunteer.

All parent volunteers must agree and adhere to the Parkwood Enrichment Volunteer Policies listed below:

- Each parent volunteer must be a PTA member (\$15 for single person, \$25 for family).
- Each parent volunteer must submit a background check once during the current school year. Please allow for two weeks of processing time.
- You have to be at every class from 5 minutes before class starts to about 10 minutes after class ends.
- You will need to help the teachers set up and clean up.
- You will need to take attendance in the beginning of class and call about the kids who are absent.
- You will need to work out with the teacher whether you or the teacher is going to check out your class at the end, making sure that each child is going home with a parent or guardian, or to after school care.
- Of those kids going to after school care, you will need to get them to the after school care building. These kids will also be marked on your roster.
- Answer questions during the class and assist the teacher with whatever they need.

After School Policies: Safety patrols will not be on duty, **NO STAFF SUPERVISION AFTER 4:00 P.M.**

- Parkwood School will not be held responsible for any injuries that might be sustained during this program. (For your protection, low-cost accident insurance is available through the school each fall.)
- If the activity is cancelled, you will be informed as soon as possible.
- Please make sure your child understands their plan for getting home after the activity.
- Students will not be allowed to use the office phone to arrange transportation.
- Your child must be picked up promptly from the activity, or they may not be allowed to participate in further activities.
